

## Job Summary

**UBMD Orthopaedics & Sports Medicine** is the largest Orthopaedic Group in Western New York. Currently, UBMDOSM has two (2) exciting career opportunities where newly graduated and experienced ATC's are encouraged to apply. The opportunities we have available are;

**Athletic Trainer Buffalo City School District** - Provide "Athletic Training Services" to student athletes under the direction of the team physician or by written referral from a physician, and in accordance with state athletic training practice act. This is a full time position providing services to the Buffalo City School District.

**Athletic Trainer Lecom Harbor Center Hockey/Athletic Trainer Lockport Middle School Hockey** - Provide "Athletic Training Services" to student athletes under the direction of the team physician or by written referral from a physician, and in accordance with state athletic training practice act. This is a full time position. .5 FTE will cover hockey at Lecom Harbor Center, Jr. Sabres and tournament play. The other .5 FTE will primarily cover Hockey at Lockport Middle School, travel requirements for this role are 50% - 75% of the time.

Our ATEAM Athletic Training Education And Medical Program – is designed to protect athletes, provide knowledge and insights to play safely and prevent injuries. Trainers are also there to aid in recovery, helping athletes of all ages return to the game faster and as confident as they were before.

Athletic trainers that are a part of the ATEAM program in Western New York are specially trained to work with athletes as part of their recovery from an injury or surgery. They participate in annual continuing education programs, keeping them sharp on the sidelines. They work one-on-one with athletes to help them redevelop or restore motion and control and recover any lost movement on function that may have happened during the healing process. This rehabilitation work is key to ensuring that athletes can recover completely and quickly so they can get back in action.

## Job Duties

- Maintain appropriate general treatment orders to be reviewed annually and approved by the team physician.
- Provide athletic training services for all home athletic contests and away varsity football games. If a conflict arises between an away varsity football game and a home contest, the varsity football event will supersede.
- Act as liaison between family physicians and specialists, the school district, athletes and their parents.
- Maintain accurate records of injuries, treatments and provide insurance claim forms for sports injuries treated by a physician.
- Schedule and be present for pre-participation sports physicals.
- Provide the coaches and athletic director with a list of athletes medically eligible to compete under district and state rules and regulations.
- Provide coverage in Practice Plan Physical Therapy Clinics as assigned by ATC Director.

- Assist the athletic director as requested.
- Assumes other responsibilities as requested.
